I am from the sounds of the waves,
the tall redwoods and calm music.

From chicken and rice.

I am from Ireland,
California and Minnesota.

I am from the sounds of the waves,
the tall redwoods and calm music.

From rice with chicken and peppers with
coconut smell and spicy,
chewy and crunchy spicy green beans with
meat and rice.

I am from the ocean. From warm weather and
calm music.

I am from the dreams of my Great Grandma.
I am from the hopes of a videogame designer.
I am like a radio because I am open to many
things.

I am from the sounds of the waves,
tall redwoods and calm music.
